**Note:** This SLCC degree is articulated with a Bachelor of Science degree in Earth Science with a specialty in Environmental Management at Utah Valley State College, meaning many of the above courses receive credit in UVSC environmental program, facilitating the transfer to UVSC.

**Note:** This SLCC degree is articulated with a Bachelor of Science degree in Environmental Resource Management at California State University Bakersfield, meaning many of the above courses receive credit in CSUB's environmental program, facilitating the transfer to CSUB. For the B.S. program, 19 additional credits are to be taken at SLCC and the remaining credits are to be taken long-distance from CSUB.
